Re: Dayco Corp./L. E. Carpenter Co. Site, Wharton, NJ

Dear Mr. Bracken:

This is in response to your request during our telephone conversation last week for a complete copy of the July 13, 1990 Supplemental Sampling Plan for the Dayco Corp./L. E. Carpenter Co. Site. I noticed that I have an extra copy of an earlier June 1, 1990 draft of the same document. I believe that this document should have essentially the same historical background information and maps as the July 13, 1990 version. Therefore, I have enclosed a copy of the June 1, 1990 document for your use.

Please contact me at 212 264-8098 if you wish to discuss this matter.

Sincerely yours,

Jonathan Josephs, Project Manager
New Jersey Superfund Branch II
Emergency and Remedial Response Division

Enclosure
